

Town of Pensaukee

Building/Remodeling/Razing Permit Application

The Town of Pensaukee requires that any modification to property in the Town needs to have a permit. This includes but is not limited to new construction, additions, decks, garages, storage buildings, and ponds. There is no cost for this permit; however, failure to obtain this permit prior to work commencing may result in fines up to \$100.

New Home Construction requires permits from Oconto County and inspection by Tom Smith.
